Play will be in accordance with the LAWS of the SPORT of BOWLS and the Local Conditions of Play as indicated below

LOCAL RULES

The umpire's decision is final in relation to play. Any other decision will be made by the Controlling Body and will be final. In the event of inclement weather curtailing play, a decision will be made by the Controlling Body as to the number of ends that will count.

In the event of wet weather and play is cancelled on the day there will not be any entry fee refund. However, lunch will be served and raffle prizes will be drawn.

FORMAT – Two Games will be played on the day. Each game will come to an end after 19 ends, or, if slow play warrants it, the Bell. One trial end before each game.

NO DEAD ENDS – The end is to continue with the jack placed on the "T" or the end of the line from the "T" by the non-offending team.

DRAW – An open card draw will take place for Game 1.

The winning teams from Game 1 will be placed in a **Winners Pool** as per the card for Game 2.

The runners-up teams from Game 1 will be placed in a **Runners-up Pool** as per the card for Game 2.

SCORING – A points scoring system will be used to determine the overall winners. Three (3) points will be awarded for a game win. In the event of a drawn game, each team will be awarded one and a half (1and1/2) points.

One (1) point will be awarded for each end won and a half (1/2) point for a tied end.

In the event that teams are even on games and points after the 2 games, count backs will be applied starting with overall margins then, if still equal, shot margins on the 2nd game and again, if still equal, the shot margins on the last end of the 2nd game will be the determinant.

PRIZES – The First, Second and Third prizes will be awarded to teams from the **Winners Pool** only.

Overall winners must win two games and have the highest points, second highest points and third highest points over the two games.

Fourth and Fifth prizes will be awarded to teams from the Runners-up Pool only. Fourth place must win one game and have the highest points over the two games and fifth place must win one game and have the second highest points over the two games.

Any team failing to satisfy the minimum 12 points grading conditions will not be eligible for any prizes.
