Appointment to the Competition Panel

Expressions of Interest

Name: _____ Grade Played (2015): _____

In line with recommendations from Bowls Australia, your Management Committee took a unanimous decision to continue with a Competition Panel over the next twelve months.

Appointment to the Competition Panel will be by your Management Committee under the Regulations for sub-committee appointments. If an applicant is successful in their appointment and had not completed the Bowls Australia Selection Module, they would be required to do so. The cost of the module would be covered by the Men's Bowls Section. This process is open to all members.

1. How would you describe your selection philosophy?

2. You have a player that has had recent knee surgery, he is important to your team. He says he is OK to play. What steps do you need to follow to assess this?

3. A member of the team has made himself unavailable for selection in a pennant side but turns up at the game as a spectator. What is your role as a Competition Panel member?

EOIs must be submitted no later than COB 16 October 2015
